Dear Sir/Madam,

Deferment of Annual General Meeting of Children's Aid Society

We refer to the Notice issued on 7 August 2020 regarding the annual general meeting of Children's Aid Society ("AGM") which was to be held on **26 August 2020** at **4:00 pm**.

We regret to inform you that the AGM will be deferred to a later date that is yet to be determined. This is because the Annual Report will not be ready within a reasonable timeframe for your perusal before the AGM. The delay is caused by external factors beyond our control during this COVID situation.

As always, we appreciate your support of Melrose Home, and we seek your understanding and indulgence for this further deferment. If you have any queries on this matter, please do not hesitate to contact us.

Do stay safe and we would keep you informed of developments once able.

Yours faithfully,

Josephine KOH
Honorary Secretary
