## CHILDREN'S AID LIMITED

### Statement by Directors

The directors of Children's Aid Limited (the "company") are pleased to present the financial statements of the company for the reporting period ended 31 December 2025. The reporting period covers the period since incorporation on 6 September 2024 to 31 December 2025.

#### 1. Opinion of the directors

In the opinion of the directors,

- (a) the accompanying financial statements are drawn up so as to give a true and fair view of the financial position and performance of the company for the reporting period covered by the financial statements; and
- (b) at the date of this statement, there are reasonable grounds to believe that the company will be able to pay its debts as and when they fall due.

The board of directors approved and authorised these financial statements for issue.

#### 2. Directors

The directors of the company in office at the date of this statement are:

|                                |                                 |

**Independent Auditor's Report to the Members of  
CHILDREN'S AID LIMITED**

**Report on the audit of the financial statements**

**Opinion**

We have audited the accompanying financial statements of Children's Aid Limited (the "company"), which comprise the statement of financial position as at 31 December 2025, and the statement of financial activities, statement of changes in funds and statement of cash flows for the reporting period then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Act"), the Charities Act 1994 and other relevant regulations (the "Charities Act and Regulations") and the Financial Reporting Standards ("FRS") so as to give a true and fair view of the financial position of the company as at 31 December 2025 and of the financial performance, changes in funds and cash flows of the company for the period ended on that date.

**Basis for opinion**

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code"), as applicable to audits of financial statements of public interest entities, together with the ethical requirements that are relevant to audits of the financial statements of public interest entities in Singapore. We have also fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Other information**

Management is responsible for the other information. The other information comprises the statement by directors but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Independent Auditor's Report to the Members of CHILDREN'S AID LIMITED**

– 2 –

### **Responsibilities of management and directors for the financial statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act, the Charities Act and Regulations and the financial reporting standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the reporting entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the reporting entity or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the company's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.

**Independent Auditor's Report to the Members of  
CHILDREN'S AID LIMITED**

– 3 –

**Auditor's responsibilities for the audit of the financial statements (cont'd)**

- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

**Report on other legal and regulatory requirements**

In our opinion, the accounting and other records required by the Act to be kept by the reporting entity have been properly kept in accordance with the provisions of the Act, and the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that causes us to believe that during the year,

- (a) the reporting entity has not used the donation moneys in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (b) the reporting entity has not complied with the requirements of Regulation 15 (fund-raising expenses) of the Charities (Institutions of a Public Character) Regulations.

The engagement partner on the audit resulting in this independent auditor's report is Lock Chee Wee.

Note: "Society" represents 1 January to 31 August 2025 and "CLG" represents 1 September to 31 December 2025 (Note 21).

The accompanying notes form an integral part of these financial statements.

## CHILDREN'S AID LIMITED

### Notes to the Financial Statements 31 December 2025

#### 1. General information

Children's Aid Limited (Registration No. 202436783M) (the "company") was incorporated as a company limited by guarantee ("CLG") on 6 September 2024 in Singapore. The financial statements are presented in Singapore dollars.

The company was dormant from 6 September 2024 to 31 August 2025. Prior to 31 August 2025, the operations were carried out under Children's Aid Society (the "Society"), a society registered in Singapore.

On 31 August 2025, the company took over the business operations, assets and liabilities of the Society. The transfer of the business operations, assets and liabilities of the Society to the company was completed on 31 August 2025.

Following the transfer of operations from the Society to the company, the financial statements have been prepared using the continuation basis of accounting. Accordingly, the results of the Society for the period from 1 January 2025 to 31 August 2025 and the results of the company for the period from 1 September 2025 to 31 December 2025 are presented on a combined basis as if the operations had been carried on by a single reporting entity throughout the reporting period.

The company's financial statements for year ended 31 December 2024 have been presented (for information) as if the company has been operating prior to 31 August 2025.

It is a charity under the Charities Act 1994. It has been accorded IPC (Institution of a Public Character) status that is valid up to 31 March 2027. Qualifying donors are entitled to 2.5 times tax deduction for the donations made to the IPC.

The members of the reporting entity have guaranteed to contribute not exceeding \$100 to the net assets of the company in the event of it being wound up and the monies are required to settle the liabilities of the reporting entity. There were 13 members at the end of the reporting period. It cannot make payment of dividends or distributions to its member. Any assets left after the winding-up shall be given or transferred to some other charitable institution or institutions having objects similar to the objects of the reporting entity.

The board of directors approved and authorised these financial statements for issue on the date of the statement by directors. They have the power to amend and reissue the financial statements.

The principal activities are residential care services for children (e.g. children, homes, orphanages) and social services for children and youths (e.g. youth outreach services, adoption services).

The registered office is: 35 Boon Lay Avenue Singapore 649962. The company is situated in Singapore.

#### Statement of compliance with financial reporting standards

These financial statements have been prepared in accordance with the Financial Reporting Standards ("FRSs") and the related interpretations to FRS ("INT FRS") as issued by the Accounting Standards Committee under ACRA ("ASC"). They comply with the provisions of the Companies Act 1967 and Charities Act 1994.

## CHILDREN'S AID LIMITED

### 1. General information (cont'd)

#### Basis of preparation of the financial statements

The financial statements are prepared on a going concern basis under the historical cost convention except where a financial reporting standard requires an alternative treatment (such as fair values) as disclosed where appropriate in these financial statements. The accounting policies in the financial reporting standards may not be applied when the effect of applying them is not material. The disclosures required by financial reporting standards may not be provided if the information resulting from that disclosure is not material.

### 2. Material accounting policy information and other explanatory information

#### 2A. Material accounting policy information

##### Fair value measurement

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When measuring the fair value of an asset or a liability, market observable data to the extent possible is used. If the fair value of an asset or a liability is not directly observable, an estimate is made using valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs (e.g. by use of the market comparable approach that reflects recent transaction prices for similar items, discounted cash flow analysis, or option pricing models refined to reflect the issuer's specific circumstances). Inputs used are consistent with the characteristics of the asset or liability that market participants would take into account. The entity's intention to hold an asset or to settle or otherwise fulfil a liability is not taken into account as relevant when measuring fair value.

Fair values are categorised into different levels in a fair value hierarchy based on the degree to which the inputs to the measurement are observable and the significance of the inputs to the fair value measurement in its entirety: Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities. Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs). Transfers between levels of the fair value hierarchy are recognised at the end of the reporting period during which the change occurred.

The carrying values of current financial instruments approximate their fair values due to the short-term maturity of these instruments and the disclosures of fair value are not made when the carrying amount of current financial instruments is a reasonable approximation of the fair value. The fair values of non-current financial instruments may not be disclosed separately unless there are material differences at the end of the reporting period and in the event the fair values are disclosed in the relevant notes to the financial statements. The recurring measurements are made at each reporting period end date.

### **2. Material accounting policy information and other explanatory information (cont'd)**

#### **2A. Material accounting policy information (cont'd)**

##### **Revenue and income recognition**

General – Revenue / income is recognised when the reporting entity has entitlement to the income, it is probable that the economic benefits associated with the transaction or gift will flow to the reporting entity and the amount can be measured reliably and the costs incurred for the transaction and the costs to complete the transaction can be measured reliably.

Donations and grants – Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably. Recognition of donations and grant income subject to conditions is deferred until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the reporting entity and there is unconditional entitlement to the receipts.

Donations and gifts in kind – For donations and gifts in the form of non-cash assets, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the reporting entity.

Government grants – Government grants are recognised at fair value when there is reasonable assurance that the conditions attaching to them will be complied with and that the grants will be received. Grants in recognition of specific expenses are recognised in profit or loss on a systematic basis over the periods necessary to match them with the related costs that they are intended to compensate. The grant related to assets is presented in the statement of financial position by recognising the grant as deferred income that is recognised in profit or loss on a systematic basis over the useful life of the asset and in the proportions in which depreciation expense on those assets is recognised.

Dividend income from equity instruments is recognised only when the entity's right to receive payment of the dividend is established; it is probable that the economic benefits associated with the dividend will flow to the entity; and the amount of the dividend can be measured reliably.

Interest income is recognised using the effective interest method.

##### **Expenditures**

Expenditure is recognised when it is incurred and is reported gross of related income. Charitable expenditure comprises direct expenditure, including direct staff costs attributable to its activities. Where costs cannot be directly attributed, they have been allocated to activities on a basis consistent with the use of resources. Expenditure has been classified by reference to specific activity categories: all direct costs relating to a specific activity have been aggregated, costs of raising funds include all direct fundraising expenses and an apportionment of support costs. All direct expenditure in furtherance of the charity's objects, together with an apportionment of support costs, is included under the charitable activities heading. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulations and good practice. Irrecoverable GST is charged as a cost.

## CHILDREN'S AID LIMITED

### 2. Material accounting policy information and other explanatory information (cont'd)

#### 2A. Material accounting policy information (cont'd)

##### Employee benefits expense

Employee benefits are all forms of consideration given in exchange for service rendered by employees. Contributions to a defined contribution retirement benefit plan are recorded as an expense as they fall due. The entity's legal or constructive obligation is limited to the amount that it is obligated to contribute to an independently administered fund (such as the Central Provident Fund in Singapore, a government managed defined contribution retirement benefit plan). For employee leave entitlement the expected cost of short-term employee benefits in the form of compensated absences is recognised in the case of accumulating compensated absences, when the employees render service that increases their entitlement to future compensated absences, and in the case of non-accumulating compensated absences, when the absences occur. A liability for bonuses is recognised where the entity is contractually obliged or where there is constructive obligation based on past practice.

##### Income tax

The reporting entity is registered under the Charities Act 1994. Therefore, it is exempted from income tax on income under the Income Tax Act 1947.

##### Property, plant and equipment

Property, plant and equipment are carried at cost on initial recognition and after initial recognition at cost less any accumulated depreciation and any accumulated impairment losses. Depreciation is provided on a straight-line basis to allocate the gross carrying amounts of the assets less their residual values over their estimated useful lives of each part of an item of these assets. The annual rates of depreciation are as follows:

|                              |   |                 |
|------------------------------|---|-----------------|
| Freehold land                | – | Not depreciated |
| Plant, fixture and equipment | – | 10% to 17%      |

An asset is depreciated when it is available for use until it is derecognised even if during that period the item is idle. Fully depreciated assets still in use are retained in the financial statements.

The residual values of assets, useful lives of assets and recognised impairment losses are reviewed, and adjusted if appropriate, whenever events or circumstances indicate that a revision is warranted.

The gain or loss arising from the derecognition of an item of plant and equipment is recognised in profit or loss. The residual value and the useful life of an asset is reviewed at least at each end of the reporting year and, if expectations differ significantly from previous estimates, the changes are accounted for as a change in an accounting estimate, and the depreciation charge for the current and future periods are adjusted.

Cost includes acquisition cost, borrowing cost capitalised and any cost directly attributable to bringing the asset or component to the location and condition necessary for it to be capable of operating in the manner intended by management. Subsequent costs are recognised as an asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to profit or loss when they are incurred.

**CHILDREN'S AID LIMITED****2. Material accounting policy information and other explanatory information (cont'd)****2A. Material accounting policy information (cont'd)****Right-of-use assets**

The right-of-use assets are accounted and presented as if they were owned such as property, plant and equipment. The annual rates of depreciation are as follows:

|                 |   |     |
|-----------------|---|-----|
| Office premises | – | 20% |
|-----------------|---|-----|

**Leases of lessee**

A lease conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration. Where a lease arrangement is identified, a liability to the lessor is recognised as a lease obligation calculated at the present value of minimum unavoidable lease payments. A corresponding right-of-use asset is recorded. Lease payments are apportioned between finance costs and reduction of the lease liability so as to reflect the interest on the remaining balance of the liability. Finance charges are recorded as a finance cost. Leases with a term of 12 months or less and leases for low value are not recorded as a liability and lease payments are recognised as an expense in profit or loss on a straight-line basis over the lease term.

**Carrying amounts and assessment of impairment loss allowance on non-financial assets**

The amounts of the non-current non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised in the statement of profit or loss whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount.

**Financial instruments**

Recognition and derecognition of financial instruments:

A financial asset or a financial liability is recognised when, and only when, the entity becomes party to the contractual provisions of the instrument. All other financial instruments (including regular-way purchases and sales of financial assets) are recognised and derecognised, as applicable, using trade date accounting or settlement date accounting. A financial asset is derecognised when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the entity neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset. A financial liability is removed from the statement of financial position when, and only when, it is extinguished, that is, when the obligation specified in the contract is discharged or cancelled or expires. At initial recognition the financial asset or financial liability is measured at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

## CHILDREN'S AID LIMITED

### 2. Material accounting policy information and other explanatory information (cont'd)

#### 2A. Material accounting policy information (cont'd)

##### Financial instruments (cont'd)

Classification of financial assets and financial liabilities and subsequent measurement:

The financial reporting standard on financial instruments requires the certain classification of financial assets and financial liabilities. At the end of the reporting period, the reporting entity had the following classes:

- Financial asset classified as measured at amortised cost: A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at fair value through profit or loss ("FVTPL"), that is (a) the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Typically trade and other receivables, bank and cash balances are in this class.
- Financial asset classified as measured at FVTPL: All other financial assets are classified as measured at FVTPL. In addition, on initial recognition, management may irrevocably designate a financial asset as measured at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.
- Financial liabilities are classified as at FVTPL in either of the following circumstances: (1) the liabilities are managed, evaluated and reported internally on a fair value basis; or (2) the designation eliminates or significantly reduces an accounting mismatch that would otherwise arise. All other financial liabilities are carried at amortised cost using the effective interest method. Reclassification of any financial liability is not permitted.

##### Cash and cash equivalents

For the statement of cash flows, cash and cash equivalents includes cash and cash equivalents less cash subject to restriction and bank overdrafts payable on demand that form an integral part of cash management. Cash equivalents are short-term (three months or less), highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, and items of income or expense associated with investing or financing cash flows

##### Funds

Fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes, if any, by action of the management. Externally restricted funds may only be utilised in accordance with the purposes established by the source of such funds or through the terms of an appeal and are in contrast with unrestricted funds over which management retains full control to use in achieving any of its institutional purposes. An expense resulting from the operating activities of a fund that is directly attributable to the fund is charged to that fund. Common expenses if any are allocated on a reasonable basis to the funds based on a method most suitable to that common expense. The funds of the society are disclosed in Note 14 to the financial statements.

**CHILDREN'S AID LIMITED****2. Material accounting policy information and other explanatory information (cont'd)****2A. Material accounting policy information (cont'd)****Provision**

A liability or provision is recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. A provision is made using best estimates of the amount required in settlement and where the effect of the time value of money is material, the amount recognised is the present value of the expenditures expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognised as interest expense.

**Other specific material accounting policy information and other explanatory information**

These are disclosed at the relevant notes to the financial statements.

**2B. Judgements and sources of estimation uncertainties**

Disclosures on material information about the assumptions management made about the future, and other major sources of estimation uncertainty at the end of the reporting period, that have a significant risk of resulting in a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below or in the in the corresponding Notes to these financial statements. These estimates and assumptions are periodically monitored to ensure they incorporate all relevant information available at the date when financial statements are prepared. However, this does not prevent actual figures differing from estimates.

**3. Related party relationships and transactions**

The financial reporting standard on related party disclosures requires the reporting entity to disclose: (a) related party relationships, transactions and outstanding balances, including commitments, including (b) relationships between parents and subsidiaries irrespective of whether there have been transactions between those related parties. A party is related to a party if the party controls, or is controlled by, or can significantly influence or is significantly influenced by the other party.

**3A. Key management compensation**

|                                                 | January to<br><u>August</u><br>Society<br>\$ | <u>2025</u><br>September<br>to<br><u>December</u><br>CLG<br>\$ | <u>Total</u><br>\$ | <u>2024</u><br>\$ |
|-------------------------------------------------|----------------------------------------------|----------------------------------------------------------------|--------------------|-------------------|
| Salaries and other short-term employee benefits | 268,178                                      | 109,658                                                        | 377,836            | 355,484           |
| Contribution to employment funds                | 23,530                                       | 9,620                                                          | 33,150             | 26,112            |

The above amounts are included under employee benefits expense. Key management personnel include the directors and those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly.

**CHILDREN'S AID LIMITED****3. Related party relationships and transactions (cont'd)****3A. Key management compensation (cont'd)**

There were no transactions with a corporation in which the above key management personnel have an interest.

The remuneration band of the key management personnel is as follows:

|                        | <u>2025</u> | <u>2024</u> |
|------------------------|-------------|-------------|
| \$100,001 to \$200,000 | <u>2</u>    | <u>2</u>    |

**4. Donation**

In accordance with the Charities (Institutions of a Public Character) Regulations, the company is required to disclose fund-raising appeals with gross receipts of more than \$1 million.

The fund-raising appeals with gross receipts of more than \$1 million are as follows:

|                                            | <u>Income</u><br>\$ | <u>Expenditure</u><br>\$ | <u>Net surplus</u><br>\$ |

**7. Tax exempt receipts**

The company enjoys a concessionary tax treatment whereby qualifying donors are granted tax deduction for the donations made to the funds of the company. The quantum of the tax deduction for each calendar year may vary as announced in the Singapore Budget. The Institutions of a Public Character status granted the company for donations is for the period from 10 April 2025 to 31 March 2027.

<sup>(b)</sup> Accretion of interest and additions.

**14. Accumulated funds**

The reserves ratio (general fund / total resources expended) of the company's general fund is 1.52 (2024: 1.21).

The reserve of the company provides financial stability and the means for the development of its activities. The company intends to maintain the reserves at a level sufficient for its operating needs. The board of directors review the level of reserves regularly for the company's continuing obligations.

**14A. General funds**

The general funds of the company refer to funds that can be spent at the discretion of the governing board of directors for any purpose of the charity.

**19. Financial instruments: information on financial risks and other explanatory information****19A. Categories of financial assets and financial liabilities**

The following table categorises the carrying amount of financial assets and liabilities recorded at the end of the reporting year:

|                                                       | <u>2025</u>       | <u>2024</u>       |
|-------------------------------------------------------|-------------------|-------------------|
|                                                       | \$                | \$                |
| <u>Financial assets:</u>                              |                   |                   |
| Financial assets at amortised cost                    | 9,318,896         | 13,384,150        |
| Financial assets at fair value through profit or loss | 15,164,156        | 9,683,829         |
| At end of the year                                    | <u>24,483,052</u> | <u>23,067,979</u> |
| <u>Financial liabilities:</u>                         |                   |                   |
| Financial liabilities at amortised cost               | <u>1,053,049</u>  | <u>738,685</u>    |

Further quantitative disclosures are included throughout these financial statements.

**19B. Financial risk management**

The main purpose for holding or issuing financial instruments is to raise and manage the finances for the company's operating, investing and financing activities. There are exposures to the financial risks on the financial instruments such as credit risk, liquidity risk and market risk comprising interest rate, currency risk and price risk exposures. Management has certain procedures for the management of financial risks. These are not documented in formal written documents. However, the following guidelines are followed:

**CHILDREN'S AID LIMITED****19. Financial instruments: information on financial risks and other explanatory information (cont'd)****19B. Financial risk management (cont'd)**

All financial risk management activities are carried out and monitored by senior management staff. All financial risk management activities are carried out following acceptable market practices.

There have been no changes to the exposures to risk; the objectives, policies and processes for managing the risk and the methods used to measure the risk.

**19C. Fair value of financial instruments**

The analyses of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 are disclosed in the relevant notes to the financial statements. These include the material financial instruments stated at amortised cost and at fair value in the statement of financial position. The carrying values of current financial instruments approximate their fair values due to the short-term maturity of these instruments. The disclosures of fair value are not made when the carrying amount of current financial instruments is a reasonable approximation of the fair value.

**19D. Credit risk on financial assets**

Financial assets subject to concentrations of credit risk and failures by counterparties to discharge their obligations in full or in a timely manner arise principally from cash balances with banks, receivables and other financial assets. The general approach in the financial reporting standard on financial instruments is applied to measure expected credit loss ("ECL") allowance on financial assets. On initial recognition, a loss is recorded equal to the 12 month ECL unless the assets are considered credit impaired. The ECL allowance for debt assets is recognised at an amount equal to the lifetime ECL if the credit risk on that financial instrument has increased significantly since initial recognition.

However, for trade receivables that do not contain a material financing component or when the reporting entity applies the practical expedient of not adjusting the effect of a material financing component, the simplified approach in calculating ECL is applied. Under the simplified approach, the loss allowance is recognised at an amount equal to lifetime ECL at each reporting date using historical loss rates for the respective risk categories and incorporating forward-looking estimates. Lifetime ECL may be estimated individually or collectively. For the credit risk on the financial assets an ongoing credit evaluation is performed on the financial condition of the debtors and any loss is recognised in profit or loss. Reviews and assessments of credit exposures in excess of designated limits are made. Renewals and reviews of credits limits are subject to the same review process.

Note 13 discloses the cash balances. There was no identified impairment loss.

**19E. Liquidity risk – financial liabilities maturity analysis**

The liquidity risk refers to the difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. It is expected that all the liabilities will be settled at their contractual maturity within twelve months after at the end of the reporting year. The average credit period taken to settle current trade payables is about 30 days (2024: 30 days). The classification of the financial assets is shown in the statement of financial position as they may be available to meet liquidity needs and no further analysis is deemed necessary.

**CHILDREN'S AID LIMITED****19. Financial instruments: information on financial risks and other explanatory information (cont'd)****19E. Liquidity risk – financial liabilities maturity analysis (cont'd)**

The following table analyses the non-derivative financial liabilities by remaining contractual maturity (contractual and undiscounted cash flows):

|                         | Less than<br>1 year<br>\$ | 2 – 5<br>Years<br>\$ | Total<br>\$      |
|-------------------------|---------------------------|----------------------|------------------|
| <u>2025:</u>            |                           |                      |                  |
| Gross lease liabilities | 233,470                   | 282,251              | 515,721          |
| Other payables          | 548,984                   | –                    | 548,984          |
| At end of the period    | <u>782,454</u>            | <u>282,251</u>       | <u>1,064,705</u> |
| <u>2024:</u>            |                           |                      |                  |
| Gross lease liabilities | 119,651                   | 76,701               | 196,352          |
| Other payables          | 546,109                   | –                    | 546,109          |
| At end of the year      | <u>665,760</u>            | <u>76,701</u>        | <u>742,461</u>   |

The undiscounted amounts on the borrowings with fixed and floating interest rates are determined by reference to the conditions existing at the reporting date.

The above amounts disclosed in the maturity analysis are the contractual undiscounted cash flows and such undiscounted cash flows differ from the amount included in the statement of financial position. When the counterparty has a choice of when an amount is paid, the liability is included based on the earliest date on which it can be required to pay.

**19F. Interest rate risk**

Interest rate risk arises on interest-bearing financial instruments. The following table analyses the breakdown of the material financial instruments by type of interest rate:

|                                             | <u>2025</u><br>\$ | <u>2024</u><br>\$ |
|---------------------------------------------|-------------------|-------------------|
| <u>Financial assets with interest:</u>      |                   |                   |
| Fixed rates                                 | 7,599,057         | 7,484,221         |
| Floating rates                              | 7,449,713         | 2,115,395         |
| Total at end of the year                    | <u>15,048,770</u> | <u>9,599,616</u>  |
| <u>Financial liabilities with interest:</u> |                   |                   |
| Fixed rates                                 | <u>504,065</u>    | <u>192,576</u>    |

Sensitivity analysis:

|                                                                                                                                                                                                                                         | <u>2025</u><br>\$ | <u>2024</u><br>\$ |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|-------------------|
| A hypothetical variation in floating interest rates at the end of reporting year by 100 basis points with all other variables held constant, would have an increase / decrease in pre-tax profit for the year by the following amounts: |                   |                   |
| Financial assets                                                                                                                                                                                                                        | <u>74,450</u>     | <u>21,154</u>     |

## CHILDREN'S AID LIMITED

### 20. Comparative figures

The financial statements cover the reporting period since incorporation on 6 September 2024 to 31 December 2025.

The company was newly incorporated as a company limited by guarantee (the "CLG" or "company") on 6 September 2024, and was dormant from 6 September 2024 to 31 August 2025. Prior to 31 August 2025, the company operated under the name of Children's Aid Society, registered as a society (the "Society").

### 21. Transfer of operations, assets and liabilities

On 31 August 2025, the company took over the business operations, assets and liabilities of the Society. The transfer of the business operations, assets and liabilities of the Society to the company was completed on 31 August 2025.

The following table summarises the carrying amounts of the Society's assets and liabilities as at 31 August 2025:

|                                                       | <u>31.08.2025</u> |
|-------------------------------------------------------|-------------------|
|                                                       | \$                |
| Property, plant and equipment                         | 560,072           |
| Right-of-use assets                                   | 576,154           |
| Financial assets at fair value through profit or loss | 10,627,338        |
| Other receivables                                     | 500,338           |
| Other non-financial assets                            | 692,985           |
| Cash and cash equivalents                             | 12,999,108        |
| Provisions                                            | (197,570)         |
| Other payables                                        | (697,400)         |
| Lease liabilities                                     | (578,071)         |
| General funds                                         | (7,789,817)       |
| Melrose Village Rebuilding fund ("MVRF")              | (16,146,766)      |
| Asset capitalisation reserve                          | (546,371)         |
| Balance as at 31 August 2025                          | <u>—</u>          |

As the Society and the company are managed by the same parties both before and after 31 August 2025, management has presented the following:

- (a) the aggregated financial performance of the society from 1 January 2025 to 31 August 2025 and the financial performance of the company from 1 September 2025 to 31 December 2025 in the 2025 Statement of Financial Activities and related notes, and the 2025 Statement of Cash Flows for a complete presentation of the business operations of the two entities of 2025; and
- (b) the Statement of Financial Activities, Statement of Financial Position, Statement of Cash Flows and related notes of the society in 2024 for comparative purpose.

### 22. Changes and adoption of financial reporting standards

For the current reporting year, the ASC issued certain new or revised financial reporting standards. None had material impact on the reporting entity.

**CHILDREN'S AID LIMITED****23. New or amended standards in issue but not yet effective**

The ASC issued certain new or revised financial reporting standards for the future reporting years. The transfer to the applicable new or revised standards from the effective dates is not expected to result in material modification of the measurement methods or the presentation in the financial statements for the following reporting year from the known or reasonably estimable information relevant to assessing the possible impact that application of the new or revised standards may have on the entity's financial statements in the period of initial application. Those applicable to the reporting entity for future reporting years are listed below.

| <u>FRS No.</u>     | <u>Title</u>                                                            | Effective date for<br>periods beginning<br><u>on or after</u> |
|--------------------|-------------------------------------------------------------------------|---------------------------------------------------------------|
| FRS 109 and<br>107 | Classification and Measurement of Financial Instruments<br>– Amendments | 1 Jan 2026                                                    |
| FRS 118            | Presentation and disclosures in financial statements                    | 1 Jan 2027                                                    |

FRS 118 Presentation and Disclosure in Financial Statements. It replaces FRS 1. The new version includes (a) revised presentation of specified categories and defined subtotals in the statement of profit or loss; (b) new disclosures on management-defined performance measures in the notes to the financial statements; and (c) improved disclosures of aggregation and disaggregation of balances. It also requires the disclosure, for the comparative period immediately preceding the period in which this Standard is first applied, a reconciliation for each line item in the statement of profit or loss between (a) the restated amounts and (b) the amounts previously presented applying the replaced version.
